

LIGHTNESS GODLISTEN SWAI

Lightness is girl of 10 years old. At the moment she is in Standard 4 (2021). She is living together with her father and mother, together with 2 siblings and 3 cousins. The cousins are the children of the uncle of Lightness. He passed away some time ago. They are all living in the house of the uncle. It is a two bedroom house, with a living room and an outside kitchen. The father of Lightness is a plumber, so his income is depending on the jobs he can get. The mother is selling vegetables on the side of the road. Lightness is doing very well in school. When she grows older, she would like to become a teacher.
